

Put Greenshades to Work for You

Join our partner community and differentiate your business from competitors while unlocking new revenue opportunities.

Expand Your Offerings

Greenshades provides flexible Payroll, HR, and Tax solutions that enhance in-house operations with proactive compliance, detailed tax reporting, and enhanced employee self-service. Designed to meet diverse business needs, Greenshades ensures efficiency and reliability for a wide array of client requirements across various industries.

Enhanced Payroll & HR

Empower your clients with a powerful solution that simplifies complex payroll processes, provides intuitive HR tools for efficient employee management, and much more.

Cohesive Ecosystem

Expand your clients' technology with easy integrations to ERPs and other business systems, including direct integrations to Dynamics GP, 365 BC, Sage Intacct, Bullhorn - and more possibilities with an open API.

Flexibility & Scalability

Offer your clients the ability to adapt their payroll & HR processes as they grow, with configurable and scalable solutions that accommodate unique and evolving needs.

With our comprehensive Payroll & HR platform, along with solutions for benefits administration, tax and compliance, and time and labor management, your clients can handle **all of their needs in a single system.**

Enjoy Multiple Perks as a Partner

With our tiered program, robust support, and diverse resources, you decide how you want to partner based on your engagement and revenue goals.

- ✓ Exceptional sales margins, with advancement opportunities
- ✓ Special sales promotions and additional SPIFF and awards programs for your sales teams
- ✓ Sales enablement & co-marketing programs and support
